The Complex of Natural Sciences Museum from Romania - Constantza Dolphinarium, public institution which held a 500 cubic meters indoor pool 2,5 meters deep with 300 places for visitors, inside the museum area, located by the Black Sea coast in Constanta, Mamaia, is interested to want to rent a complete animal show with sea lions, with a coordinator trainer. Animals (at least 2 individuals of Patagonian sea lion - *Otaria flavescens*) should have a good level of training, no agresivity, no circus behavior, no offense on animal behavior and respect.

Contract will be only for July and August 2020. Will be only 2 or 3 demonstrations a day with a minimum length of 30 minutes including the educational presentation from the beginning.

The management of sea lions (presentation, demonstration, enrichment, feeding, etc) in Constantza Dolphinarium will be insured by the Dolphinarium staff, in accordance with the coordinator trainer and owner's written recommendations. Recommendations will be received at the beginning of the contract.

Offers, detailed and explained, should be sent to the institution at office@delfinariu.ro.

General manager
